15. Inside leg to heelCm /"
16. Inside leg to shorts finished lengthCm /"

*if you require a dropped waist skirt/shorts, the finished length of your top must be longer to avoid showing your stomach

We recommend that you take all the measurements featured in the sizing guide in case you wish to order different types of garments in the future.

Please check all measurements carefully before submitting your order form. If possible get two people to measure together and compare your measurements for any mistakes.

Important: First Cheer cannot be held responsible for squads providing incorrect measurements once your order has been placed.
